

The background of the slide is a vibrant, abstract graphic. It features a central bright white light source from which numerous colorful rays emanate, creating a sunburst effect. The rays transition through a spectrum of colors including yellow, orange, red, and various shades of blue and green. Overlaid on this are large, flowing, wavy bands of color in shades of blue, green, yellow, and orange, giving the overall composition a sense of motion and energy.

Webex App

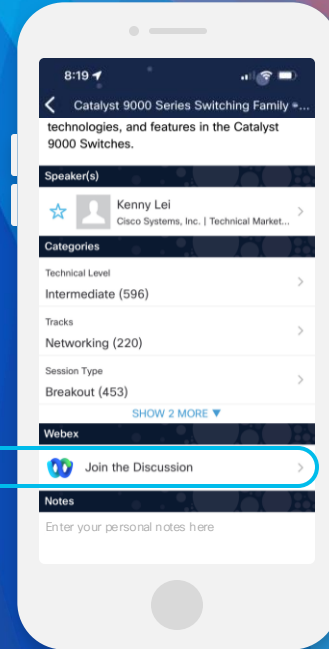

Questions?

Use the Webex App to chat with the speaker after the session

How

- 1 Find this session in the Cisco Events Mobile App
- 2 Click “Join the Discussion”
- 3 Install the Webex App or go directly to the Webex space
- 4 Enter messages/questions in the Webex space

Webex spaces will be moderated by the speaker until February 23, 2024.

<https://ciscolive.ciscoevents.com/ciscolivebot/#INTAPP-1200>

Fill out your session surveys!

Participants who fill out a minimum of **four session surveys and the overall event survey** will get a Cisco Live t-shirt (from 11:30 on Thursday, while supplies last)!

All surveys can be taken in the Cisco Events Mobile App or by logging into the Session Catalog and clicking the 'Participant Resource Center' link at <https://www.ciscolive.com/emea/learn/session-catalog.html>.

Continue your education

CISCO *Live!*

- Visit the Cisco Showcase for related demos
- Book your one-on-one Meet the Engineer meeting
- Attend the interactive education with DevNet, Capture the Flag, and Walk-in Labs
- Visit the On-Demand Library for more sessions at ciscolive.com/on-demand. Sessions from this event will be available from February 23.

The background features a vibrant, multi-colored abstract design. On the left, there are horizontal, wavy bands of color in shades of red, orange, yellow, and green. On the right, a bright white light source emits a series of sharp, radiating lines in various colors, including blue, green, and yellow, creating a sunburst effect.
